The 6th Regional Translational Research in Mitochondria, Aging, and Disease Symposium

Friday, October 28 and Saturday, October 29, 2016
(8:30AM-6:00PM)

The Colket Translational Research Building
3501 Civic Center Boulevard, Philadelphia, PA, 19104
Suite 1100A and 1100B (First Floor)

SAVE THE DATE

Deadline for Abstract Submission: Friday, September 9, 2016 at 5:00PM

Program Director: Douglas C. Wallace, PhD
The Center for Mitochondrial and Epigenomic Medicine at The Children’s Hospital of Philadelphia Research Institute

Keynote Opening Address:
Chi Van Dang, MD, PhD, Professor & Director, Abramson Cancer Center, The Perelman School of Medicine at the University of Pennsylvania Health System
“MYC, Mitochondria, and Cancer Therapy”

Session I:
Mitochondria and Quantitative Biology

Session II:
Mitochondrial Quality Control

Session III:
Mitochondria and Metabolism

Session IV:
Mitochondrial-Nuclear Interactions

Session V:
Mitochondria, Pathology, and Critical Care

Session VI:
Mitochondria Physiological Regulation

Keynote Closing Address:
Shoukhrat Mitalipov, PhD, Director of the Oregon Health & Science University (OHSU) Center for Embryonic Cell and Gene Therapy
“Germline and somatic mtDNA mutations”

Closing Remarks & Posters Award Ceremony:
Douglas C. Wallace, PhD, Director, The Center for Mitochondrial and Epigenomic Medicine at The Children’s Hospital of Philadelphia Research Institute

Directions are available on Google | Parking is available The Wood Center, 3500 Civic Center Boulevard (garage entrance on Osler Circle), Philadelphia, PA 19104. (There is a $16.00 daily parking fee.)
