Cancer Survivorship for Healthcare Providers: Understanding the Long-Term Side Effects of Cancer Treatment

Date: Saturday, March 5, 2016
Time: 8:00 a.m. — 4:30 p.m.
Location: Herberman Conference Center, UPMC Cancer Pavilion

This program will provide healthcare professionals with the knowledge and skills needed to promote evidence-based, quality care to oncology patients and their caregivers throughout the survivorship continuum.

Target Audience: Physicians, nurses, social workers, and any other health care professionals working with or interested in survivorship care.

Course Director: G. van Londen, MD, MSc
Director, Cancer LiveWell Survivorship Program
University of Pittsburgh Medical Center; Hillman Cancer Center;
Magee-Womens Hospital of UPMC
Pittsburgh, Pennsylvania
