UPMC Cancer Center and University of Pittsburgh School of Medicine Center for Continuing Education in the Health Sciences Present:

GI Cancer Symposium: Current Trends in Pancreatic & Hepatobiliary Malignancies

Program Goal:
To provide oncologists and oncology healthcare professionals with evidence based updates on current trends in diagnosing, treating, managing and preventing pancreatic and hepatobiliary malignancies.

Target Audience:
Medical, surgical, and radiation oncologists, gastroenterologists, and other healthcare providers caring for patients with or at risk for gastrointestinal malignancies.

CME Accreditation:
The University of Pittsburgh School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Pittsburgh School of Medicine designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credit(s) ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other health care professionals are awarded .5 continuing education units (CEU’s) which are equal to 5.5 contact hours.

Course Objectives:
Upon completion of this conference the participant should be able to:

- Integrate new evidence into everyday clinical practice, thereby improving quality of care for patients with pancreatic & hepatobiliary malignancies.
- Implement practice changes in a variety of management options for patients with pancreatic & hepatobiliary malignancies including radiation, chemotherapy, and surgical treatment modalities.
- Stimulate innovative strategies for new and/or additional research related to treatment and/or prevention of pancreatic & hepatobiliary malignancies.
- Recognize the implications for practice change in both the academic and community practice settings.

Non-discrimination, Equal Opportunity, and Affirmative Action:
The University of Pittsburgh is an affirmative action, equal opportunity institution.

Course Fee:
There is no fee for this activity
Agenda and Faculty:

7:30am Registration and Breakfast
8:00am Welcome & Introduction
   David Bartlett, MD
   Dr. Bernard F. Fisher Chair
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

Edward Chu, MD
   Professor of Medicine and Pharmacology & Chemical Biology
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

8:10am Genetics of Pancreatic Cancer
   David Whitcomb, MD, PhD
   Professor of Medicine, Cell Biology and Human Genetics
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

8:30am Current Management of Cystic Lesions of the Pancreas
   Randall E. Brand, MD
   Professor of Medicine
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

8:50am Molecular Basis of Liver Development and Regeneration: Learning from Zebrafish Models
   Donghung Shin, PhD
   Assistant Professor
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

9:10am Gastroenterology Intervention in Pancreaticobiliary Cancers
   Adam Slivka, MD, PhD
   Professor of Medicine
   University of Pittsburgh Medical Center
   Pittsburgh, PA

9:30am Question & Answer Session

9:40am Break

10:05am Diagnostic Imaging Approaches in Pancreatic, Biliary, and Liver Cancer
   Alessandro Furlan, MD
   Assistant Professor of Radiology
   University of Pittsburgh, Department of Radiology – Pittsburgh, PA

10:25am Pathologic Diagnoses of Pancreatic, Biliary, and Liver Cancer
   Aatur D. Singhi, MD, PhD
   Assistant Professor of Pathology
   University of Pittsburgh – Department of Pathology
   Pittsburgh, PA

10:45am Robotic Resection of Pancreatic Cancer
   Amer Zureikat, MD
   Assistant Professor of Surgery
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

11:05am Multidisciplinary Approach to Pancreatic Cancer
   Herbert Zeh, III MD, FACS
   Associate Professor of Surgery
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

11:25 Question & Answer Session

11:35am Case Discussion & Lunch
   Barry Lembersky, MD
   Clinical Associate Professor of Medicine
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

Ronald Stoller, MD
   Clinical Professor of Medicine
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

12:35pm Outcomes of Hepatocellular Carcinoma with Different Background Disease
   Allan Tsung, MD
   Roberta G. Simmons Assistant/Associate Professorship in the Department of Surgery (UPMC)
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

1:00pm Minimally Invasive HCC “Bridge Therapies” and Liver Transplantation
   David Geller, MD
   Richard L. Simmons Chair in Surgery
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

1:20pm Updates on Systemic Therapy in Pancreatic Cancer
   Nathan Bahary, MD, PhD
   Associate Professor of Medicine
   Pittsburgh, PA

1:40pm Challenges in the Systemic Therapy of Liver Cancer and Biliary Cancer
   Weijing Sun, MD, FACP
   Visiting Professor of Medicine
   University of Pittsburgh School of Medicine
   Pittsburgh, PA

2:00pm Question & Answer Session
2:15pm Review & Evaluations
2:30pm Adjournment

Faculty Disclosure:
Faculty for this activity are required to disclose all relevant financial relationships with any proprietary entity producing, marketing, re-selling, or distributing health care goods or services, used on, or consumed by, patients.

Personal Accommodations:
Please indicate any personal accommodations you may need for the program, such as a sign language interpreter, large print conference materials, Braille conference materials, wheelchair height tables, vegetarian meals, diabetic meals, accessible parking, or other. Please call 412-623-3652 or email tendersaks@upmc.edu two weeks prior to the program if you need any personal accommodations in order to participate.

REGISTRATION:
GI Cancer Symposium: Current Trends in Pancreatic and Hepatobiliary Malignancies
Saturday, April 26, 2014
