Toby Yanowitz, MD, Associate Professor of Pediatrics, Newborn Medicine, University of Pittsburgh

SEPTEMBER 27, 2016
“Phenotype-based drug discovery in vivo using novel zebrafish models”
Edward A. Burton, MD, DPhil, FRCP, Associate Professor of Neurology, Associate Professor of Microbiology and Molecular Genetics, UPMC Endowed Chair in Movement Disorders

Faculty Disclosure
In accordance with Accreditation Council for Continuing Medical Education requirements on disclosure, information about relationships of presenters with commercial interests (if any) will be included in materials distributed at the time of the conference.

Continuing Medical Education Credit
The University of Pittsburgh School of Medicine is accredited by the ACCME to provide continuing medical education for physicians. The University of Pittsburgh School of Medicine designates this educational activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Other health care professionals are awarded 0.10 continuing education units (CEUs) which are equal to 1 contact hour. Participation by all individuals is encouraged. Advance notification of any special needs will help us provide better service. Please notify us of your needs at least two weeks in advance of the program by calling 412-641-6052.
